Google Play Store Submission Preview

<https://play.google.com> Sample

The screenshot shows the Google Play Store interface for the 'Stacks Mobile' app. The app is developed by 'Stacks Inc.' and is categorized under 'Books & Reference'. It has a rating of 5 stars and is suitable for 'Everyone'. A note indicates that the app is compatible with all devices. The 'Install' button is visible. Below the app title, there are three preview images: a search interface, a 'Your Library' screen showing search results for 'apple', and a 'Location' map. The search results list books like 'Apple / by Sara Green, Green, Sara, 1964, author' and 'Apple / by Dawn Bluemel Oldfield; consultant, Karen C. Hall, PhD, Applied Ecologist, Behavioral Resea... Bluemel Oldfield, Dawn, author'. The 'Location' map shows a public library. Below the preview images, there is a description: 'Stacks Mobile is the fastest and easiest way to search your library's catalogue. Access to your favorite books, CDs and DVDs just got a whole lot better!' and a list of features for the Android version. A 'READ MORE' link is at the bottom.
